

Dark Solus an Assassin's Tale (Back Cover)

Dark Solus, an Assassins tale is a dark fantasy, science fiction novel about one of the deadliest assassins on the planet Eorth. The evil wizard Kalifen, along with the ruthless leaders of the Assassins, Thieves and Halfling guilds murdered his parents when he was only a child.

Haunted by their merciless execution, he now waits and prepares to exact his revenge on all those responsible for their demise. Dark is transformed and trained by the Styg, the warden of the Stygian depths and his Grandfather, Mephistopheles, the ancient silver dragon.

Fifteen years later after his parents death, Dark is now ready to travel to the City of Duergar, the home of his enemies. Trained in the skills of assassination and armed with lethal devices and his knowledge of the dark arts, he has only one mission.....to kill them all!

This action-packed book comes alive with ancient imagery, before solid boundaries formed between the mystical kingdoms of the fairies and the mortal world of man.

Author David Andrew Crawford grew up in Canada and currently resides in the hamlet of Innesville with his dog Baron von Munchausen.
