A CURE FOR ALL

The Cure for Cancer Leads to Untimely Demise of Scientist

When a major cancer breakthrough is discovered, the conspiracies begin. Will unraveling the truth lead to more mystery and death or will justice finally be served?

When two scientists discover the cure for cancer, one disappears and the other is murdered. This is when Detective Jefferson Stewart III enters the scene. As he tries to unravel the mystery behind the scientist's untimely demise, suddenly an attempt is made on his life.

Stewart discovers there is a major conspiracy started by some very wealthy people in Washington, D.C. who will do whatever it takes to keep the cure for cancer from being put on the market.

Enlisting the help of former gang member and drug dealer Tyrone Adams, Stewart is determined to bring the conspirators to justice...even if it means risking his own life.
