FOR IMMEDIATE RELEASE

### **THE CURSE OF THE WARRIOR, A WARRIOR'S TALE TRILOGY**

#### **A Gripping Adventure of Drama and Beginnings**

*Before the beginning of earth, there was an ancient story...So ancient that very few can recall it.*

Very much along the lines of *Lord of the Rings* and *Star Wars*, *The Curse of the Warrior* is a powerfully-driven fantasy tale of good versus evil. As it unfolds, the ancient story tells of how long ago, a simple man fought against all odds for survival. He strove against both the forces of good and evil to free himself and live a humble life. He was unable to break away, though, and became caught up in the political intrigue and war that was raging across the land.

Entertaining and suspenseful, *Curse of the Warrior* has a strong plot, intriguing characters, and an enchanting setting to engage readers. Will the desperation to save the kingdom be more powerful than the conflict and hostility among its inhabitants? Will the vendetta and hatred of a few be too much to overcome or will they finally unite to destroy evil once and for all?

*Curse of the Warrior* is the first book in the *Warrior's Tale Trilogy*. This compelling novel will hook readers – making them look forward to the next book in the series.
